

2020 Annual Report

The year 2020 was one of extraordinary challenges and incredible blessings for Community Hope Center. When the COVID pandemic hit our region in March, CHC quickly adapted our food distribution to a contactless, drive-thru process so that our guests could continue receiving the food assistance they needed while keeping them and our volunteers and staff as safe as possible. The drive-thru operated every week thru the end of July. We are so grateful to God for His provision, and that we never had to temporarily shut down our services to those who were vulnerable.

In August, we reopened our building to a completely new and improved food pantry model which enables guests to select their food rather than receive prepacked boxes. To ensure the best possible experience for our guests, we established appointments for shopping and spiritual care and expanded our hours of service. These measures help to ensure that guests do not feel rushed during their time in spiritual care and are not waiting in long lines to receive services. We have heard dozens of stories about how God working through these changes to minister to people more deeply because there they have more time and a calmer environment in which to connect, give, receive, and be blessed.

Throughout the entire year, our community responded with incredible compassion and generosity. From hand sanitizer, to food, to new equipment for the food pantry, to face masks, to financial support — God met each and every need through the generosity of His people, and His provision was always there when we needed it.

God has greatly expanded our understanding of what it means to minister to the hungry and the poor. We are committed to walking with people who are on the margins, to address the roots of hunger and poverty, and to do what we can to connect them to Jesus, the true source of all help and hope. We believe this is true kingdom-building, and we are grateful for all who build with us.

In His love,

Executive Director

Statement of Activity for year ended December 31, 2020

Support and Revenue

Cash contributions and grants	\$	468,357
Other income		30,334
Donated materials and services		1,336
